Beloit Free Press: For at least once
during its existence the Free Press has
been "asleep." Firstly, it failed to learn
of, and to announce, the transformation
of Mr. "Wig" McCombs from a Be-
lois citizen into a citizen of Janesville,
at the time the event occurred, which
was about the first of May, and to ex-
tend to Janesville its hearty congratu-
lations upon the acquisition of so wise
and sterling a young business
man as our friend "Wig." As a member
of the hardware firm of F. M. Finch &
Co., the Free Press predicts that if
there is any business to be done at all
in Janesville in that line, "Wig" will
have his share of it if he has to stir up a
rebellion to get it.

DEATH OF JAMES VAN ETTE.

He Passed Away at His South Main Street
Home at Seven O'clock Last Evening.

Many people in Janesville, while aware
of his dangerous illness, were surprised
last evening when, a few minutes after
seven o'clock, the announcement was
made that James Van Ette was dead.
He died at his home 64 South Main street,
at seven o'clock. He had been in poor
health for a year or more. Last winter
he was a victim of grippe, from which
he never recovered. Two weeks ago he
was taken worse and was confined to his
bed, from which he never arose. His
disease was pronounced pneumonia of
the bronchial tubes. From the time of
this last severe attack he gradually grew
worse, and notwithstanding the best of
medical skill and kind nursing, he quietly
passed away as above.

James Van Ette was born in Preble,
Courtland county, New York, June 14th,
1839, being now in his sixty-seventh
year. He was the second son of Mr.
and Mrs. John Van Ette, and was one
of four children, three sons and one
daughter. After arriving at manhood,
he was engaged for a number of years in
the manufacture of tobacco at Utica,
Syracuse, New York, and while thus
engaged made many trips through this
section of country, driving a four horse
team, the time being spent on the rail-
ways. He attended the beautiful country more
and more on each visit, and after an un-
successful attempt to induce his firm to
move west, he severed his connection
with the eastern house and moved to
Chicago, where he engaged in the tobacco
business again in 1861, under the well
known firm of Van Ette, Friedman &
Co., their specialties being fine cut, plug
and snuffs. The venture proved a profit-
able one. After the great fire in 1871 he
purchased the Hillside farm, in the town
of Fulton, this county, which he im-
proved as a summer residence, using the
farm for stock raising, taking a fancy to
trotting horses. About sixteen years
ago he removed to this city, and his
home has since been in Janesville. Some
two years ago he built the handsome re-
sidence in which he died.

Mr. Van Ette was united in marriage
to Miss Nancy Dodge, of Oswego, New
York, September 24, 1845. The result of
this union was four children—three
daughters and a son. The eldest daugh-
ter, Mrs. William Abbey, died at Ful-
ton, in 1867. Two daughters and a son
remain, Miss Alice D. Smith, Mrs.
Elizabeth F. Griffiths and Mr.
George Nelson Van Ette, all of this city.

Deceased was an admirer of fine
horses, especially trotting stock, he hav-
ing owned many valuable animals. He
was well known among horse breeders
throughout the country, and was greatly
respected by all with whom he became
acquainted. He was a man of strong
personal character, yet he was a very
kind gentleman, and while blessed with a
large competency, he never failed to pay
due respect to his fellow men, regardless
of their financial condition. His death
will be sincerely regretted by all.

The funeral will take place from the
house on Thursday afternoon at two
o'clock.

The bereaved family have the sincere
sympathy of the community.

OUR CITY GOVERNMENT.

Proceedings of the Common Coun-
cil at the Regular Meeting
Last Evening.

MAYOR ST. JOHN GRANTS THIR-
TY-SEVEN LICENSES.

All Confirmed—Petition for Water Main
Extension—Routine and Miscel-
laneous Business.

The common council held a regular
meeting last evening at which His
Honor, Mayor St. John, presided, and
the aldermen being present except Alds.
McLean and Thoroughgood.

The journal of the last meeting was
read and approved.

The clerk read a petition signed by
residents on Prospect avenue, asking for
an extension of water mains on Prospect
avenue east of Milton avenue. It referred
to fire and water companies.

The clerk read a notice from the M. O.
Conroy as respects a move, without com-
pensation, from May 7th to August 7th.
Referred to police committee, and sub-
sequently reported back by Ald. Ryan
and on motion the appointment was con-
firmed.

The clerk read the following:—
JANESVILLE WIS., May 8 1890.
To the Honorable Mayor and Common
Council of the City of Janesville.

GENTLEMEN:—I accept the award of a
contract to furnish the city with lum-
ber for the ensuing year in the form
presented by the bridge and street
committee, and approved by the
council. Their recommendation
as to sewer pipe was not in accordance
with the city's advertisement for propo-
sals, neither was it according to my pro-
posal to furnish. I therefore respectfully
ask that the words "or pipe of the
good quality" be added after the words
"Akron pipe" in the committee's report.
In my bid I used the exact language
contained in the advertisement for propo-
sals, as follows: "Akron pipe, or pipe
of like good quality, extra, solid, glazed
inside and outside, sewer pipe."

I am anxious to carry out my part of the
contract, and I respectfully ask that the
city council's record be so as to conform
to the agreement. Respectfully,
A. E. BURPPE.

Referred to the highway, street and
bridge committee.

A petition signed by a number of third
ward residents, asking the city to dis-
pose of the "pet house" in that ward,
and purchase land on Delavan road
owned by E. E. Smith, for pet house
purposes. Referred to finance commit-
tee.

The clerk notified the council that D.
Terwilliger, constable elect in the first
ward, had failed to qualify. No action
taken.

Ald. Jackson, of the finance commit-
tee, reported in favor of allowing sundry
bills against the several funds aggregat-
ing as follows:—

General fund.....\$ 82.28
Highway....." 10.00
Fire and Electric Light..... 10.00
Fire and Water fund..... 10.00
Fire Ward fund..... 10.00
See and Ward fund..... 10.00
Fair and fund..... 80.62
Fourth Ward fund..... 5.76
Fifth Ward fund..... 5.76

Total.....\$ 417.22
The report was concurred in.

Ald. Jackson, of same committee, re-
ported back as correct the April report
of the city treasurer. Placed on file.

On motion of Ald. Rowe, Mrs. Thayer
was allowed a rebate of \$9.35 on account
of an error in the assessment roll.

The judiciary committee was granted
further time to consider the communi-
cation from A. E. Burppe in relation to
sewer pipe.

On motion of Ald. Jackson the fire
and water committee was granted further
time to consider the petition to extend
water main on Prospect avenue.

The finance committee was granted
further time to consider the petition re-
lating to the pet house property.

Orders were introduced and passed for
the repairing of streets and building of
sidewalks, as follows:—

Ald. McKee—a crosswalk on the east
side of Main street across Keane street.

Ald. Trulock—extending the filling on
the corner of Mineral Point avenue and
River street.

Ald. Vankirk—Repairing of Milton
avenue from East street to St. Mary's
avenue; for the repairing of East
Milwaukee street; for a cross walk on
the east side of East street across Mil-
waukee street.

Ald. Childs—for the repair of 15th
street; for the repairing of crossings at
foot of Leont street, for a block cross-
ing on north side of Holmes street cor-
ner of Franklin; for a block crossing on
west side of Jackson street corner of
Pleasant, and on south side of Pleasant
street corner of Franklin street; for
block cross walks at Dodge, Pl. east and
Academy streets and on north side of
Dodge corner of Pleasant street, and
also for legal notice to be served on
owner of lot No. 251 to build a sidewalk.

On motion of Ald. Horn the time for
receiving bids for caring for street oil
lamps was extended, as other parties
desired to present bids.

Ald. Horr, of the gas light committee,
inquired if there was a contract in re-
lation to furnishing electric lights with
Captain Norcross. Ald. Horn stated
that there was complaint that the light
was not as brilliant as formerly, and on
being informed that there was no con-
tract, he moved that the gas committee
be directed to investigate the matter.

THE MISDOINGS OF PLAYS.

They are Captured at Watertown
and Returned to the Scene of
their Exploits in Missouri.

THEY PASS THROUGH JANES-
VILLE AT NOON IN IRONS.

The News that the "Gang" Were in This
Neighborhood Caused Many a
People to "Bar the Door."

There was considerable excitement in
this city last evening when a report be-
came current that a number of the Jesse
James gang of outlaws were supposed
to be in this neighborhood, and that of-
ficers were on their trail. After diligent
search the foundation for the report was
obtained. Marshal Hegen was in Jef-
ferson last Wednesday, and in conver-
sation with Sheriff Hubbard learned
that there were three pri-
soners in the Jefferson jail who were be-
held for the arrival of officers from
Missouri to identify them, and that they
were supposed to be formerly connected
with the James gang. They were ar-
rested in Watertown after a most desper-
ate struggle. They were identified yes-
terday, and requisition papers were se-
cured and to-day they were taken back
to Missouri, passing through this city af-
noon. All were heavily ironed. A Jef-
ferson dispatch gives the following de-
tails:—

JEFFERSON, WIS., May 20.—Three men
said to be members of the once noted
Jesse James gang have just been handed
over to Missouri officers by the local
authorities. A week ago information
was received here that the authorities
of Douglas county, Missouri, wanted
three men on a charge of murder and of
robbing the Douglas county treasury at
Ava of \$7,000. May 1st Deputy Sheriff
Herman Graue, at Watertown, iden-
tified and arrested a man giving the name
of F. S. Berry on the description fur-
nished from Missouri.

The next day two other men arrived
on a train from the south, inquired for
the man who had been locked up, and
were promptly taken in. Officers in
pursuit were upon the same train as the
two last arrested, but no officer was
aware of the identity of their fellow-
travelers. Sheriff Lyon, of Douglas
county, arrived last evening, recognized
him in the crowd, and took them back to
Missouri to-day.

The report that the criminals were
members of the old Jesse James gang of
murderers, although freely circulated,
is not given full credence, as the oldest
of the men is
